## Consumer Information

*The following consumer notice is provided at the direction of the NSW Office of Fair Trading:* Builders and tradespeople covered under the Home Building Act 1989 who undertake residential work where the labour content is worth more than \$1000 or undertake specialist work in NSW are required to be licenced. Advertisements relating to residential building that do not display a licence number imply that the labour content is no more than \$1000. All persons contracting to do specialist work as defined by the Home Building Act must be licenced. Further information can be found at [www.fairtrading.nsw.gov.au](http://www.fairtrading.nsw.gov.au)

## A message from Bungendore Chamber of Commerce and Industry Inc.

Welcome to 2018 – 2019 Bungendore Directory, an initiative of the Bungendore Chamber of Commerce & Industry Inc (BCCI).

- ✓ Business Infrastructure Planning
- ✓ Digital Economy/ Smart Community Planning

A big thank you goes out to all who help to make this Directory possible... thanks for the hard work, you are all brilliant!

Thank you to all of our advertisers, our community loves doing business with you!

This year we launched our bungendorebusinesschamber.com.au website, streamlining the process of renewing membership and becoming a new member. All forms relating to the Chamber can be found on this website.

The Chamber has also launched it's "Bungendorables" marketing campaign. The Chamber's marketing sub-committee headed by Felicity Jackson, have done a wonderful job of pulling together this campaign and making the Bungendorables come to life! Don't forget to see what they are up to on their Facebook page [www.facebook.com/Bungendoreable](http://www.facebook.com/Bungendoreable)

This past year has seen the Chamber building on its relationship with the Queanbeyan Palerang Regional Council. We have partnered with the QPRC on more local events and planning workshops than in previous years. Some of these were:

- ✓ 2017 Christmas Party
- ✓ Tourism Plan
- ✓ Town Centre Beautification

- ✓ Integrated Water Cycle Management Project
- ✓ And more

2017 **Local Business Awards** were a success! Awards and winners were:

**Business of the Year – The Big Green Cup Cafe**

**President's Award – Southern Harvest Farmers Market Bungendore**

**Service Excellence Award – Wellbeing Pilates Studio**

**Trade Services Award – MOJO Constructions**

**Community Service Award – Palerang Financial Services PFSL**

Thank you for voting and be sure to nominate your favourite business for the **2018 Local Business Awards**. Voting will be announced in the Bungendore Weekly, Chamber Website and Chamber Facebook Page.

*The Bungendore region has a thriving and growing local business community, and I encourage all of us, where possible to support our local businesses. Please use the Directory on a regular basis to support your local businesses, and thereby, supporting your community.*

Wishing you all a safe and prosperous year!

## Our Herbal Blends for the seasons

*Summer*

*nothing artificial, no fillers*

For balance and general wellbeing. Specific for the digestive system, but also assists the respiratory system and may aid in developing and maintaining a healthy skin.

*Autumn*

Prepare your horse for the colder months of winter. The antioxidant properties of these herbs target all body systems to aid the immune system.

*Winter*

*....just pure natural herbs*

Ease any stiffness your horse may develop during the colder months. The herbs selected for this blend are designed to warm the body from the inside.

*Spring*

Assists for Spring conditions. Being high in flavonoids, this blend supports and tones the digestive, circulatory and metabolic systems.

# Mulloon Creek Natural Farms

following nature

Best eggs ever - proudly laid locally by happy hens on  
biodynamic pasture - available from Foodlovers in  
Bungendore and the IGA in Braidwood

For stockists in Canberra and Sydney see [www.mcnf.com.au](http://www.mcnf.com.au)

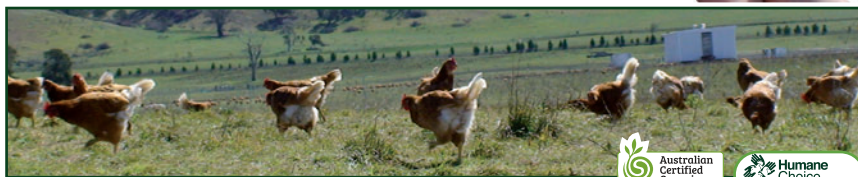

- More than 4 times the omega 3's than conventional eggs
- Only 350 birds per hectare, not 10,000 which is free range standard
- Chemical, GM and cruelty free

Supporting our community by providing employment and sponsoring local projects

Contact us at [eggs@mcnf.com.au](mailto:eggs@mcnf.com.au) or follow us on Facebook

Any profits from the sale of mcnf eggs contributes to research into landscape restoration to promote improved nutrition. Research conducted by our reg'd charity, The Mulloon Institute

the mulloon institute  
for environment, farming and society

Research - Advocacy - Demonstration - Community Engagement

Proud to be leading the Mulloon community restoration project, recognised  
by the United Nations as one of 5 projects globally that meet their  
Sustainable Development Goals

**WEDDINGS & EVENTS  
WITH CHARACTER**

Contentious Character is a contemporary vineyard estate with winery, cellar door, and a kitchen, creating magical weddings and events with character. We offer a unique tasting experience with our extensive range of aged vintages, from the Founders Museum collection, and recent vintages of our own.

Look across the vineyard and surrounding countryside, while our kitchen serves up a fresh, local, sharing menu, including wood fired dishes, and charcuterie, all paired to the wines.

That's hardly contentious!

### AUSTRALIAN BREASTFEEDING ASSOCIATION

ABA is an independent, not-for-profit organization that is Australia's largest breastfeeding information and support service. We are one of the largest women's organizations in Australia, with a membership database of more than 8,000 personal members nationwide and almost 1,000 professional members. We also help over 80,000 mums each year on our Breastfeeding Helpline.

ABA supports and encourages women who want to breastfeed or provide breastmilk for their babies.

ABA advocates to raise community awareness of the importance of breastfeeding and human milk to child and maternal health. Services include membership for both mothers and health professionals, a 24 hour, 365 days a year Breastfeeding Helpline, an informative website, local community based support groups, breastfeeding educational classes and numerous print and digital resources.
